Gary

I was out of the office all of last week and half of this week. My father-in-law died so we had to make an emergency trip to India. I just got back tonight. I will start reviewing the stuff. I can get it to you by 3/20.

Jessica - I just sent out a schedule to folks asking for their comments - you should have it by now - I generally use a 21 day review for most things. So if we stick with that, the nature & extent comments would be due from me back to Eric by 3/26, so I would like your comments to me at least several days before that.

Thanks

Jessica White--03/03/2009 04:55:06 PM--Hi Gary, I just got the draft nature and extent data report from Fed Ex. Can you tell me what the deadline is for this report?

Hi Gary,
I got the draft nature and extent data report from Fed Ex. Can you tell me what the deadline for comments to you is for this report? I know there is a short timeline on this project, so your response is probably ASAP - but I really need a date to put in my calendar to help me prioritize work. I'm supposed to be reviewing another document.

Thank you,
Jessica
